DJ Clint Villaruz

“Purveyor of multi-genre, sensational dance grooves and a feel-good atmosphere”

That’s how Clint sees himself as a DJ. With extensive knowledge taken from a wide variety of music genres, his passionate taste for a broad mix of tunes are his own therapy. Clint grew up on his father’s eclectic combination of Classic Rock, Jazz, Funk and Alternative music. All of these styles became infused with his own love for House, Hip Hop and R’nB. As a DJ, this translates into sets where he picks and infuses together all the parts of the music that he loves best including melodic grooves, harmonic vocals, funky bass lines, and soulful rhythm. He’s played at different venues and special events in several countries over the past decade.

Very active and passionate with everything he does, Clint is up for any challenge. Though he loves playing in nightclubs, hotels and special events, his passion for music goes beyond the spectrum of only mixing beats. During his spare time he plays lead guitar and bass guitar to express himself musically. As a hobbyist photographer and videographer, he’s found multiple ways to express himself artistically.

“It’s all about bringing everyone together through a nice melody, harmonic mixing and mood-setting beats by playing tracks regardless of genre, or release date that unites everyone. “
