### **Richie Matosa aka DJ Allplay**

Richie Matosa aka DJ Allplay was exposed to many different styles of music from an early age. It was this love of music that initially led him to becoming a self-taught DJ. Casually mixing beats at friend's parties and always making sure that there was a great vibe on the dance floor, eventually led to DJ Allplay pursuing this passion professionally.

Richie joined Absolute infinity back in 2008 and has had the opportunity to play at some of Sydney's biggest party venues including The Mean Fiddler, The Retro and The Lowenbrau, as well as many smaller bars and pubs around Sydney. He has also had the privilege of being the DJ and MC at many weddings and corporate events. DJ Allplay always receives amazing feedback from his clients.

DJ Allplay is not limited to any particular genre and is versatile in combining House, R'n'B, Dance, Disco, Rock, Top 40 and Retro Classics. When in the club he enjoys blending Top 40 Vocal House with sexy Dance Floor Anthems that make people want to groove. In a party setting he's happy to go with the flow and play a huge mix of tunes to keep the guests tapping their feet. Either way, he always knows when to drop the right track to whip the crowd into a frenzy.

Every spare chance he gets you can find Richie behind the decks perfecting his skills. His pursuit of excellence and passion for music is one of the main reasons you should check out a DJ Allplay set.
